

Southwest Association of Rail Shippers – Looking to the Future

Dear SWARS Member,

I hope this email finds you healthy and safe during these uncharted times. Our world is ever-changing, and after reviewing the COVID-19 unknowns and in respect to economic constraints for many of our company members, your SWARS Board has decided to cancel the 2020 Fall Conference, which was scheduled for Sept. 30th – Oct. 1 in San Diego, California. This was not an easy decision, but it is one we believe is in the best interest of all at this time.

We know engaging with one another is an important element that SWARS provides, so we are in the process of planning a golf event in the Houston area in the fall of 2020. The plans are still in the works, but we wanted you to know we will get a date on the calendar soon. Please watch for the details. We hope those of you who would love to soak in some Texas sunrises and engage with your industry colleagues will participate!

Also, please remember to mark the dates for our Spring 2021 Annual Conference in San Antonio, Texas! The conference is scheduled for March 10-11, 2021, at the Grand Hyatt in lovely downtown San Antonio. We will provide an excellent lineup of speakers and will also have our Trade Show at this conference. Please plan to attend this great event!

As always, I personally thank you for your continuous support to SWARS. We are known as one of the premier Transportation organizations in our industry, and it is because of your participation that we can claim that title!

Hope to see you on the golf course in Houston this fall!

Sincerely,

Dale Diulus

President, Southwest Association of Rail Shippers
